

Code of conduct

FDI official code of conduct regarding new members and participants:-

1-Purpose:-

The purpose of this document is to ensure that throughout the whole process of the project everyone maintains core values and principles:-

- **Professionalism:** While things such as jokes, laughter, and unseriousness are essential to make a memorable workshop, we urge everyone to act with all professionalism regarding anything related to FDI work or workshop.
- **Safety:** Is to ensure that the FDI project is successful without any risks.
- **Reputation:** FDI reputation is one of the most important aspects to develop a successful project, so any acts or activities that might result in the change of FDI reputation to worse will be taken seriously.
- **Organization:** We aim to provide a clear and straightforward plan so everyone knows their place and work. Without organization no work will be done.

(This code ensures all members and participants act professionally, respectfully, and in alignment with FDI's mission)

2-Scope:-

To specify to whom it is applied:-

- **Members:** New or Old.
- **Leadership:** Everyone who was chosen to lead this project.
- **Volunteers**
- **Participants:** Anyone who decides to join FDI's community and participate in our workshops.
- **Deals and sponsors**

(No one is above the code of conduct even the Co-Founders and the presidency)

3-Core values:-

What are the behaviors that are expected from everyone:-

- **Respect:** Maintaining respect for others:*No harassment or insults:-*
 1. No Sexism
 2. Racism
 3. Bullying
 4. Sexual harassment
 5. Offensive insults

- **Responsibility:** Don't take time that isn't necessary and always make sure to use your time effectively.
- **Integrity:** So we operate successfully any miscommunication or intentional misleading such as lying or faking work will be taken seriously and will mostly mean immediate dismissal from the project.
- **Teamwork:** Support, don't sabotage others.

(No immediate action as it will be reviewed as *case-by-case* style. However, we still warn anyone to not do any of the prohibited actions as there will be consequences.)

4-Communication rules:-

How interactions should be done:-

- **Respond within a set time** (24-36hrs)
- **Use official channels** (WhatsApp, email)
- **Clear and professional**(No spamming, no chaos, no memes in serious chats)
- **Escalate properly** (No drama in groups or chats any problem should be reported to leadership)

(If not followed then we will be facing problems daily and regularly)

5-Accountability and consequences:-

The actions our team will consider:-

- **Warnings:** In case of small or minimal violations the team will send a warning in case these actions are repeated.
- **Task removal:** When the task isn't complete or isn't in a proper development phase then this task will be removed immediately from the responsible individual.
- **Role downgrade:** If one of the tasks or actions that violates our code of conduct are done our team will consider degrading the role or changing the individual place.
- **Removal from the organization:** If some or a lot of violations occurred the team will immediately report and remove this person from the organization with a notice of not being able to join again.
- **Privacy :** in case of any of the FDI document being shared to outer sides the head or person responsible will be **removed** immediately

*(Any repeated violations = removal *no exceptions)*

6-Social media & Public representation:-

Some digital values everyone should respect and follow:-

- No posting on behalf of the FDI without permission.
- Personal and private accounts must not damage FDI's image.
- No controversial/ public statements linked to FDI.

(If not followed the FDI team will be forced to follow unwanted actions to protect their image.)

7-Confidentiality:-

To ensure nothing gets leaked or stolen:-

- **No sharing:** Internal info (Plans, Contacts, Sponsorships details, financial state, unrealised dates) outside FDI.
- **Permission:** In case a person wants to share something related to FDI that isn't public must take permission from at least 4 of the heads, president, or co-president.

(Breaking any of the rules = immediate removal from FDI.)

8-Attendance & Commitment:-

Defining the bare minimum of attendance:-

- **If form the team:-**
 1. No more than 2-4 absences from meeting
 2. No absences during the workshops
 3. Full commitment for official meetings with the team or partners.
- **If from the participants:-**
 1. Fully engaging and participating in the workshop without being late.
 2. **No refunds** in the case of not attending as for before the workshop the team will consider it.
- **Sponsors or partners:-**
 1. Attending meetings to discuss issues and details.
 2. Being partially or fully attended in any workshops.

(If this isn't put then we can't operate successfully as dates, commitments and meetings are the core requirement to build FDI)

9-Conflict of interests:-

- Money use: No money will and should be used for personal gain.
- Declare and address conflicts or consequences will be imposed on both sides.

(To maintain credibility and integrity)

Good luck everyone!
